TECHNICAL GUIDANCE NOTE

TO: GRO MEMBERS

FROM: GRO TECHNICAL

SUBJECT: MINERAL WOOL - TECHNICAL REF NUMBER: MB11_0322

CC: MARK HARRIS, JEFF SORRIL

Dear GRO Member:

On the 11.3.22 it has been agreed at GRO Board that the use of mineral wool as a green roof growing media substrate will require BROOFT4 testing. Please refer to the GRO Code of Practice for further information.

Kind Regards,

Keith Hills

Technical Committee Chair
